# WEDDING WEEK ACTIVITIES

An aerial photograph showing two people in blue and white kayaks paddling on clear, turquoise water. The kayakers are positioned diagonally across the frame, with one in the upper left and the other in the lower right. The water is exceptionally clear, revealing the sandy bottom and some underwater vegetation. The overall scene is bright and serene, suggesting a tropical or island setting.

In addition to taking the stress out of getting married we'll keep your guests entertained before and after the wedding.

Here are some of the many activities we can arrange for you:

Enjoy a leisurely day of total relaxation at Mount Irvine Beach dedicated to sipping cocktails and feasting on beach-prepared BBQ lunch. Swim, chill, relax.

#### Harvest Trip

*(full day, minimum 10 persons)*

Tobago retains much of its rural charm and community spirit. Every Sunday, somewhere in Tobago, an entire community comes together to give thanks. Usually there is a church thanksgiving service followed by a communal gathering where villagers throw their doors open to family, friends, and strangers alike, and invite them to share traditional food and drink in a party atmosphere. Celebrations typically last long into the night and

the whole village turns out to share the hospitality. This is an excellent way to experience true Tobago culture and traditions.

## PRE/POST WEDDING ACTIVITIES

**Diving** *(full/half day)*. Tobago is home to some of the best diving locations in the world. Spend a full or half day with our dive partner Undersea Tobago (TripAdvisor Certificate of Excellence) and experience the wonders of Tobago's waters.

**Horseback riding** *(half day)*. Whether you are an experienced rider or a beginner, Tobago has a variety of accessible trails and experiences to suit every rider.

**Buccoo Reef, Nylon Pool, and No Man's Land** *(full day)*. Buccoo is the largest coral reef in Tobago and was designated a marine park in 1973. Visit the reef on a glass bottomed boat and explore the

wonders of the sea from brilliantly coloured fish to exquisitely fashioned coral. Swim in the tranquil waters of the Nylon Pool then enjoy a delicious BBQ lunch at secluded No Man's Land.

**Indigenous Tobago – Rainforest, Argyle Falls and Cocoa Estate** *(full day)*. Start the day with a hike through the green heart of the island. Observe Tobago's birds and animals in their natural habitat then cool off at the stunning Argyle Falls. Enjoy a picnic lunch at the Falls then head over to the Tobago Cocoa Estate to sample their delectable selection of chocolate and fine rums.

**Visit to a pan yard, J'ouvert and Parade of the Bands**. Discover the creativity of the national festival of Trinidad and Tobago. Listen to the national instrument (the steelpan), participate in the annual mud festival (J'ouvert) and witness the colourful Parade of the Bands. Available during Carnival Season only.
